The Tools and the Platform do not constitute a Digital Token Wallet and do not include functionality for storing and managing Private Keys. To use the Tools, the User will need a separate Digital Token Wallet. Such Digital Token Wallet is subject to its own terms and conditions and related provisions. If the User does not agree to be bound by the applicable terms for such Digital Token Wallet, they should not install or use such Digital Token Wallet. Blotix and its Affiliates do not have access to or control over the User's Private Keys or User Token Keys and, consequently, have no control over User Tokens nor the ability to support the User in the event that any of the User's Private Keys or any of the User Token Keys are lost, stolen, or otherwise compromised. The User must ensure that they have the necessary capacity and resources to manage User Tokens outside of the Platform in the event of Platform unavailability, Service Suspension, termination or expiration of the Agreement, or for any other similar event or reason. Blotix shall not be liable for any loss or damage suffered by the User, any End User, or any other Person, or relating to User Tokens due to the unavailability of the Platform, Service Suspension, termination or expiration of the Agreement, or for any other similar event or reason.

4.4 Blockchain. The Tools may from time to time allow for the creation and management of Digital Tokens on one or more blockchains. Such blockchains are subject to their own terms and conditions and are not under the control of Blotix nor made available by Blotix. The User must review and become familiar with the blockchain(s) on which they choose to create User Tokens. Blotix makes no representations or warranties of any kind with respect to any blockchain and

shall not be liable for any loss or damage suffered by the User or any other Person, or relating to User Tokens, due to the unavailability or performance of any blockchain.

1. Service Levels and Support. Blotix provides no warranty or remedy regarding service levels, availability, or performance of the Platform or any of the Tools.
2. Fees and Payment.

6.1 Fees. The User shall pay Blotix the fees ("Fees") as set forth in the Order Form, without any deduction or offset.

6.2 Payment Terms. The User shall make all payments on or before the due date specified in the Order Form or, if not otherwise specified, within thirty (30) days of the submission of an invoice or written request by or on behalf of Blotix. In the event of non-payment by the User when due, without limiting Blotix's other rights and remedies: (i) Blotix may charge interest on the overdue amount at the Default Rate calculated daily and compounded monthly; (ii) the User shall reimburse Blotix for all reasonable costs incurred by Blotix in collecting any late payments or interest, including legal fees, court costs, and collection agency fees; and (iii) if such default continues for ten (10) days or more, Blotix may suspend the User's and its Authorized Personnel's access to the Platform and any part or all of the Tools until such amounts are paid in full.

6.3 Taxes. All Fees and other amounts payable by the User under the Agreement are exclusive of taxes and similar charges. The User is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by the User hereunder.

6.4 Changes. Blotix reserves the right to change the Fees at any time, and Blotix will notify the User of such changes to the Fees in accordance with the terms of the Agreement.

6.5 Gas Fees. Some Tools involve the use of a blockchain, which may require the User to pay a fee, commonly known as "gas" ("Gas Fees"), for the computational resources required to execute a transaction on the blockchain. The User acknowledges and agrees that Blotix has no control over: (a) any transactions on the blockchain; (b) the method of payment of any Gas Fees; or (c) any actual payments of Gas Fees. Accordingly, the User must ensure they have a sufficient balance of applicable Digital Tokens to pay the applicable Gas Fees in order to complete any transaction on the blockchain before initiating such transaction on the blockchain.

1. Confidential Information. From time to time during the Service Term, each Party may disclose or make available to the other Party information relating to its business, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether orally or in written, electronic, or other form or medium, and whether or not marked, designated, or otherwise identified as "confidential" (collectively, "Confidential Information"). Confidential Information does not include information that, at the time of disclosure, is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third party; or (d) independently developed by the receiving Party. The receiving Party shall not disclose the disclosing Party's Confidential Information to any Person or entity, except for: (x) the receiving Party's personnel or its Affiliates' personnel who have a need to know the Confidential Information for the receiving Party to exercise its rights or perform its obligations hereunder, and (y) in the case of Blotix, as set forth in Section 12.12 (Information Sharing). Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) to comply with an order of a court or other governmental body, or as otherwise necessary to comply with applicable Law, provided that the Party making the disclosure under the order has first given written notice to the other Party and has made all reasonable efforts to obtain a protective order; or (ii) to

establish a Party's rights under the Agreement, including filing required documents in court. Upon the expiration or termination of the Agreement, the receiving Party shall promptly return to the disclosing Party all copies, whether in written, electronic, or other form, of the disclosing Party's Confidential Information, or destroy all such copies and certify in writing to the disclosing Party that such Confidential Information has been destroyed. Each Party's confidentiality obligations with respect to Confidential Information are effective as of the Effective Date and shall survive the termination or expiration of the Agreement indefinitely.

2. Intellectual Property; Feedback.

8.1 Blotix Intellectual Property. The User acknowledges that, as between the User and Blotix, Blotix owns all right, title, and interest, including all intellectual property rights, in and to the Blotix IP and, with respect to Third-Party Products, the applicable third party owns all right, title, and interest, including all intellectual property rights, in and to the Third-Party Products.

8.2 User Data. Blotix acknowledges that, as between Blotix and the User, the User owns all right, title, and interest, including all intellectual property rights, in and to the User Data. The User hereby grants to Blotix a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the User Data and perform all acts with respect to the User Data as may be necessary for Blotix to provide the User with the Tools on the Platform, and a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to reproduce, distribute, modify, and otherwise use and display User Data incorporated within the Aggregate Statistics.

8.3 Feedback. If the User or any of its employees, contractors, or agents sends or transmits any communications or materials to Blotix by mail, email, telephone, or otherwise, suggesting or recommending changes to the Blotix IP, including new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("Feedback"), Blotix is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback. The User hereby assigns to Blotix, on its own behalf and on behalf of its employees, contractors, and/or agents, all right, title, and interest in, and Blotix is free to use, without any attribution or compensation to any party, any ideas, know-how, concepts, techniques, or other intellectual property rights contained in the Feedback, for any purpose whatsoever, although Blotix is not required to use any Feedback.

1. Limited Warranty and Disclaimer.

9.1 BLOTIX IP, THE TOOLS, AND THE PLATFORM ARE PROVIDED "AS IS" AND "AS AVAILABLE" AND BLOTIX HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. BLOTIX SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. BLOTIX MAKES NO WARRANTY OF ANY KIND THAT THE BLOTIX IP, THE TOOLS, THE PLATFORM, OR ANY USER TOKEN OR THE RESULT OF THE USE OF THE BLOTIX IP, THE TOOLS, THE PLATFORM, OR THE USER TOKEN, WILL MEET THE USER'S, ANY END USER'S, OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER TOOLS, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR-FREE. THE USER IS ADVISED TO SAFEGUARD IMPORTANT DATA, USE CAUTION, AND NOT RELY IN ANY WAY ON THE CORRECT FUNCTIONING OR PERFORMANCE OF THE TOOLS, THE PLATFORM, OR THE USER TOKEN.

1. Limitations of Liability; Indemnification.

10.1 Disclaimer. To the maximum extent permitted by applicable law, the User irrevocably agrees and acknowledges that Blotix, its affiliates, and each of their respective shareholders,

members, officers, directors, contractors, employees, attorneys, and agents (collectively the "Associates") assume no liability and none shall have any liability, whether in an action in contract, tort, or otherwise, for any Losses arising directly or indirectly from or related to:

- (a) any breach of the Agreement by the User;
- (b) the issuance or management of any User Token;
- (c) the Platform and the User's use thereof, except as expressly provided in the Agreement;
- (d) the Tools and the User's use of any of them, except as expressly provided in the Agreement;
- (e) any failure by the User, any of the User's Affiliates, any End User, or any holder of User Tokens to comply with applicable Laws;
- (f) any agreement between the User and any End User or any other third party;
- (g) any information or material available through the Platform, from Blotix, one of its Affiliates, or any other Person;

- (i) any inaccurate, misleading, or incomplete statement by Blotix or on the Platform regarding User Tokens, whether caused by Blotix's negligence or otherwise;
- (j) any failure, delay, malfunction, interruption, or decision (including any decision by Blotix to modify or interfere with the User's rights or to terminate the User's access to the Platform) by Blotix in the operation of the Platform or in the provision of any Tool;
- (k) any blockchain on which a User Token is issued or managed, including any failure, delay, malfunction, or interruption of such blockchain;
- (l) any fork of any blockchain on which a User Token is issued or managed;
- (m) any stolen, lost, or unauthorized use of User Tokens, any security breach or data breach related to such Digital Tokens, or any criminal or third-party act affecting Blotix or any of its Affiliates;
- (n) any offer, representation, suggestion, statement, or claim regarding Blotix, the Platform, or any Tool;
- (o) the use or misuse of any End User information by the User or for which the User is responsible; or
- (p) another Person using the User Tokens, Private Keys, User Account, or password, with or without the User's knowledge.

10.2 THE USER HEREBY AGREES TO RELEASE BLOTIX AND EACH OF ITS ASSOCIATES FROM ALL LIABILITY FOR ALL LOSSES, INCLUDING THOSE DESCRIBED IN THIS SECTION 10, AND THE USER SHALL INDEMNIFY, SAVE, AND HOLD HARMLESS BLOTIX AND EACH OF ITS ASSOCIATES FROM AND AGAINST ALL LOSSES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE FOREGOING LIMITATIONS OF LIABILITY, RELEASES, AND INDEMNITIES SHALL APPLY REGARDLESS OF WHETHER THE ALLEGED LIABILITY OR LOSSES ARE BASED ON CONTRACT, NEGLIGENCE, TORT, UNJUST ENRICHMENT, STRICT LIABILITY, VIOLATION OF LAW OR REGULATION, OR ANY OTHER BASIS, EVEN IF BLOTIX OR ANY ASSOCIATE HAS BEEN ADVISED OF OR SHOULD HAVE

KNOWN OF THE POSSIBILITY OF SUCH LOSSES, AND REGARDLESS OF THE SUCCESS OR EFFECTIVENESS OF ANY OTHER REMEDIES. WHERE LOSSES CANNOT BE EXCLUDED, BLOTIX'S TOTAL LIABILITY UNDER THE AGREEMENT SHALL NOT EXCEED THE TOTAL AMOUNT OF FEES PAID BY THE USER TO BLOTIX IN THE TWELVE (12) MONTHS PRECEDING THE CLAIM.

10.3 Indemnity. Without prejudice to the foregoing, the User agrees to indemnify and hold harmless Blotix and the Associates from and against any Action, Loss, or judgment related thereto of any kind or nature, which may be imposed on, incurred by, or asserted against Blotix or any Associate in any way relating to or arising out of the use by the User or any End User of the Blotix IP, the Platform, or any Tool, including any User Token, or any act, event, or transaction related or connected thereto.

10.4 Exclusions from Indemnity. Notwithstanding the foregoing, the User shall have no obligation to indemnify under this Section with respect to Blotix or any Associate to the extent caused by or resulting from the bad faith, willful misconduct, or gross negligence of Blotix or such Associate. To the extent that an indemnification undertaking in the preceding Sections may be unenforceable as violating any law or public policy, the User shall fulfill such undertaking to the maximum extent permitted by applicable Law. Any liability, obligation, loss, damage, penalty, cost, or expense covered by an indemnity under these Terms shall be paid to each Associate on demand and, in the event of failure to pay promptly, shall, together with accrued interest at the Default Rate from the date each Associate incurred it until payment by the User, be added to the User's obligations under this Agreement. The provisions of this Section 10 shall survive the termination of the Agreement.

1. Term and Termination.

11.1 Term. The initial term of the Agreement shall commence on the Effective Date and, unless terminated earlier pursuant to the express provisions of the Agreement, shall remain in effect for the term specified in the Order Form or, if no term is specified, for one (1) year from such date (the "Initial Term"). The Agreement shall automatically renew for additional successive one (1) year periods, unless terminated earlier pursuant to the express provisions of the Agreement or by written notice to the other Party of non-renewal at least thirty (30) days prior to the expiration of the then-current term (together with the Initial Term, the "Service Term").

11.2 Termination. In addition to any other express termination right set forth in the Agreement: (a) Blotix may terminate the Agreement, effective upon written notice to the User, in the event of a Service Suspension or any other suspension of the Tools under this Agreement;

(b) Blotix may terminate the Agreement, effective upon written notice to the User, if the User: (A) fails to pay any amount due under this Agreement and such failure continues for more than ten (10) days after delivery of written notice by Blotix; or (B) breaches any of its obligations under Section 2.4 or Section 7;

(c) each Party may terminate the Agreement, effective upon written notice to the other Party, if the other Party breaches the Agreement and such breach: (A) is not curable; or (B) being curable, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such breach; or

(d) each Party may terminate the Agreement, effective immediately upon written notice to the other Party, if the other Party: (A) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (B) files or has filed against it a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (C) makes or seeks to

make a general assignment for the benefit of its creditors; or (D) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

11.3 Effect of Expiration or Termination; Run-Off Period.

(a) Except as expressly permitted under Section 11.3(b), upon expiration or earlier termination of the Agreement, the User shall immediately cease all use of the Blotix IP and, without limiting the User's obligations under Section 7, the User shall delete, destroy, or return all copies of the Blotix IP and certify in writing to Blotix that the Blotix IP has been deleted or destroyed. No expiration or termination shall affect the User's obligation to pay all Fees that may have become due before such expiration or termination, nor entitle the User to any refund.

(b) Upon expiration or termination of the Agreement, subject to applicable Law, Blotix will: (a) for thirty (30) days continue to retain User Data and will use commercially reasonable efforts to make such data available to the User upon request made within such third (30) day; and (b) continue to grant the User a non-exclusive, non-sublicensable, and non-transferable license to use the Smart Contracts for a period of ninety (90) days from the effective date of termination (the "Run-Off Period"). The User will use the Run-Off Period to migrate the User Token to another Smart Contract of its choice. The continuing license granted in this Section applies only to the Smart Contracts and does not extend to the Platform, any other Blotix IP, or other Tools provided by Blotix under this Agreement. The User acknowledges that: (i) for the duration of the Run-Off Period, the User will continue to be bound by the terms of this Agreement; and (ii) by the expiration of the Run-Off Period, the User must have completed any necessary migration of the User Tokens to another smart contract and ceased all use of the Smart Contracts. In the event the User fails to cease use of the Smart Contracts by the expiration of the Run-Off Period, Blotix reserves the right to take such steps as it deems necessary to protect its rights, including seeking an injunction or other equitable relief pursuant to Section 12.11 (Equitable Relief). Notwithstanding the foregoing, Blotix shall have no obligation to provide continued access to the Smart Contracts if such access is restricted or prohibited by law. In the event Blotix believes that the User's continued access to the Smart Contracts during the Run-Off Period is restricted or prohibited by law, Blotix will provide notice to the User as soon as practicable.

11.4 User's Representations and Warranties. The User represents and warrants to Blotix, as of the date of acceptance or deemed acceptance of the Agreement and on each day that the User uses or accesses the Tools, in each case with reference to the facts and circumstances existing on such date, as follows:

(a) that, if the User is an individual user, the User is eighteen (18) years of age or older and that the User has the capacity to contract under applicable Laws;

(e) that the User has assessed the merits and risks of the Platform and the Tools on the Platform based solely on its own independent review and consultations with investment, legal, regulatory, tax, accounting, and other advisors that the User has deemed necessary, and without relying on any statement or warranty, or advice, from Blotix;

(f) that the User will not use, and will ensure that its Authorized Personnel will not use, the Platform or any Tool on the Platform to conceal or disguise the origin, ownership, control, or nature of the proceeds of crime or terrorist financing, or of corruption relating to any Person or Government Official under any applicable Law, or property subject to Economic Sanctions, frozen assets, or to promote any violation of applicable Laws, including AML Laws or CTF Laws, or to trade illegal User Tokens, other Digital Tokens, Fiat, property, funds, or proceeds;

(g) that the User is currently in compliance with, and shall, at its own expense, comply with all Laws that relate to or affect the User's Tokens, the Platform, and the Tools operated under the Agreement, including AML Laws, CTF Laws, Anti-Corruption Laws, Economic Sanctions Laws, or tax Laws, including FATCA and CRS;

(h) that the User consents to any tax and information reporting under AML Laws, CTF Laws, Anti-Corruption Laws, Economic Sanctions Laws, or tax Laws, including FATCA and CRS, as Blotix may reasonably determine;

(i) that neither the User nor any of its Affiliates will use the Tools or the Platform directly or indirectly (i) on behalf of or for the benefit of a Prohibited Person or any Person subject to the jurisdiction of a Prohibited Jurisdiction; (ii) in violation of or as prohibited, restricted, or sanctioned under applicable Economic Sanctions Laws; or (iii) in any way that would violate, be inconsistent with, be sanctioned under, or cause the failure to file any report required under applicable AML Laws, CTF Laws, or Economic Sanctions Laws;

(j) that the User has not (i) violated; (ii) been fined, excluded, sanctioned, subject to restrictions related to economic sanctions, or otherwise penalized under; (iii) received any oral or written notification from any Government regarding an actual or possible violation by the User under; or (iv) received any other report that the User is subject to or the target of sanctions, restrictions, penalties, or enforcement actions or investigations under any applicable Law, including AML Laws, CTF Laws, Anti-Corruption Laws, or Economic Sanctions Laws;

(k) that the User has implemented and will implement during the Service Term reasonable controls such that User Tokens will not be used directly or indirectly (i) in violation of or as prohibited, restricted, or penalized under applicable Economic Sanctions Laws; or (ii) in any way that would violate, be inconsistent with, be penalized under, or cause the failure to file any report required under applicable AML Laws, CTF Laws, or Economic Sanctions Laws;

(l) that neither the User nor any of its Affiliates is: (i) itself or owned or controlled by a Sanctioned Person; (ii) involved in any transaction, transfer, or conduct, whether through the use or receipt of the Tools, that could reasonably result in the User or its Affiliates becoming a Sanctioned Person; or (iii) resident or domiciled in, or transferring Digital Tokens, Fiat, funds, or property to, from, or through any User Account in, a Prohibited Jurisdiction or a Government or Government Official of a Prohibited Jurisdiction;

(m) that neither the User nor any of the User's Affiliates has offered, promised, given, or authorized, directly or indirectly, any payment, nor offered, promised, given, or authorized the giving of anything of value, including any User Tokens, other Digital Tokens, to a Government Official or to an individual employed by another entity in the private sector, in violation of any applicable Anti-Corruption Law;

(n) that the User will not falsify, and will ensure that its Authorized Personnel will not falsify, any Platform or Tools registration or administration details provided to Blotix;

(o) that the User will not falsify or materially omit any information or provide misleading or inaccurate information requested by Blotix in the course of, directly or indirectly related to, or arising from the User's activities on the Platform or the use of any Tool, including at registration, in the Order Form, or during administration or other due diligence processes, and that if any information provided to Blotix should prove to be incorrect, the User will promptly provide the correct information to Blotix;

(p) that the User shall, and shall ensure that its Authorized Personnel use, antivirus, antimalware, and other reasonable software and techniques to protect the User and its Digital Tokens on the Platform from being the victim of a hack or other malicious action, so as to protect the integrity of such Digital Tokens and to keep such Digital Tokens and access to the Platform from the User's User Account out of the reach of other Persons;

(q) that the User acknowledges and agrees that all instructions received or undertaken through the login credentials of the User or any User Authorized Personnel or from the authorized email address of the User or any User Authorized Personnel registered with Blotix are considered valid, binding, and conclusive and that Blotix may act on such instructions without any liability associated with them;

(r) that the User will correctly and timely report all income associated with the User's activity on the Platform in accordance with applicable Laws and pay all taxes thereon; and

(s) that the User will promptly and accurately inform Blotix if it knows or has reason to know that any of the foregoing representations or warranties is no longer correct or becomes incorrect.

11.5 No Representations and Warranties by Blotix. The User agrees that Blotix makes no representation, warranty, or assurance of any kind to the User in relation to the Agreement, the Tools, the Platform, any End User, any User Token, or any blockchain. The Platform and the Tools are offered strictly "as is, where is" and, without limiting the generality of the foregoing, are offered without any representation as to merchantability or fitness for a particular purpose. The User understands that the Tools and the Platform may have bugs or errors and may undergo substantial changes. The User acknowledges that Blotix relies on the User's representations, warranties, acknowledgments, and agreements and that, in the absence of such representations, warranties, acknowledgments, and agreements, Blotix would not provide the User with any Tools.

11.6 Due Diligence in General, Anti-Money Laundering, and Counter-Terrorist Financing. (a) By signing the Order Form, the User expressly certifies that they are not a Prohibited Person and are not using the Platform or any of the Tools for the benefit of a Prohibited Person and shall promptly provide all information requested and necessary to satisfy due diligence requirements and obligations under applicable Laws and the compliance policies or procedures of Blotix or one of its Affiliates. Blotix or one of its Affiliates may assess whether the User will make, or intends to make, a transfer to, from, or through any U.S. Financial Institution to facilitate the provision of the Tools and, if applicable, the User must provide all information requested and

necessary to satisfy due diligence requirements and obligations under applicable Laws and the compliance policies or procedures of Blotix. The User agrees to promptly provide any documentation, information, or records requested by Blotix at any time, including a self-certification allowing for the determination of tax residency and status under FATCA and CRS or other applicable Laws. Such information may include self-certifications regarding controlling persons. Blotix is required to retain certain information, documentation, and records on file under applicable Laws and its contractual relationships, and Blotix expressly reserves the right to retain such information, documentation, and records. Furthermore, Blotix monitors and assesses suspicious or sanctionable transactions under applicable AML, CTF, Anti-Corruption, and Economic Sanctions Laws, and undertakes mandatory reporting to FinCEN, OFAC, and competent international regulatory bodies. These commitments also apply in the case of the provision of the KYC Portal Tools, suspension or termination of the User's relationship with Blotix, or abandonment of the Tools or the Platform by the User. The Agreement applies to all Tools provided on the Platform.

(b) Blotix reserves the right to refuse Tools, to prohibit access to the Platform or any Tool from or to any Person, to undertake enhanced due diligence, or to suspend or terminate the administration of the Tools on the Platform or the User's User Account for or with any user for any reason (or for no reason) at any time, subject to the limitations imposed by applicable Laws. Without limiting the generality of the foregoing, this includes any transfer, transaction, business activity, or relationship with: (i) a Sanctioned Person; (ii) a Prohibited Jurisdiction or a citizen or resident of, Government or Government Official of, or Person in or subject to the jurisdiction of, any Prohibited Jurisdiction; (iii) a U.S. Person; (iv) a Person from or in any jurisdiction that does not meet international AML-CTF standards (including any jurisdiction identified by the FATF as a high-risk jurisdiction or a jurisdiction under enhanced monitoring); (v) a Person who is a Government Official or a Politically Exposed Person under the FATF 40 Recommendations; (vi) a Person who presents a risk of exposure to sanctions, penalties, or other liabilities under applicable AML Laws, CTF Laws, Anti-Corruption Laws, Economic Sanctions Laws, or tax Laws; (vii) a Person who Blotix determines is acting in the United States or a U.S. Insular Territory or Possession (whether from, to, through, or by any U.S. Financial Institution) in violation of, causing any other Person to violate, attempting or conspiring to violate, or evading or circumventing the Agreement or applicable Laws; and (viii) a Person who does not meet Blotix's user due diligence standards, requests, or requirements, or who otherwise appears to be high-risk, including the factors mentioned above. Instead of refusing Tools or the continued management of Tools on the Platform, Blotix may, at its sole discretion, perform enhanced due diligence procedures. At any time, the User may be subject to enhanced due diligence procedures in the use of the Platform and any Tool on the Platform. Should the User refuse to provide the requested due diligence information or fail to respond promptly or substantially with the requested documentation or data, Blotix shall have the absolute discretion to immediately suspend or terminate the provision of Tools to the User.

(c) Notwithstanding the foregoing, the User remains solely responsible, and no provision of the Agreement entails any liability for Blotix, for ensuring that the issuance and management of User Tokens are carried out in compliance with all applicable Laws, including applicable AML Laws, CTF Laws, Anti-Corruption Laws, Economic Sanctions Laws, or tax Laws. Blotix assumes no responsibility to screen or monitor any wallet or Digital Token address through which User Tokens are held, sent, or received pursuant to the use of the Tools or otherwise.

11.7 No Partnership or Endorsement.

(a) By providing the Tools and the Platform, neither Blotix nor any of its Affiliates endorses, directly or indirectly, any User, any User Token, any End User, or any other product or Tool

provided, or to be provided, by any User or Third-Party Product. The User shall not, and shall cause its Authorized Personnel and its Affiliates not to, state or imply, or make any representation that could imply that the provision of the Tools or the Platform constitutes an endorsement by Blotix, its Affiliates, or any other Person, or that the User Tokens are provided, guaranteed, or otherwise supported by Blotix or any of its Affiliates.

(b) Nothing herein, including the provision of Tools, shall be deemed or construed to constitute a partnership, joint venture, agency relationship, or association between the User and Blotix, its Affiliates, or any other Person. No Party shall have the right, power, or authority to enter into agreements or commitments on behalf of the other Party, to act as an agent or representative of the other Party, or to otherwise bind it. Nothing herein, including the provision of Tools, shall be deemed or construed to constitute contractual relationships between Blotix or its Affiliates and any holder of User Tokens (including any End User). By providing the Tools, Blotix acts solely as a provider of a software application.

11.8 Third-Party Products. Blotix and its affiliates contract with Persons to provide certain data, information, insights, analysis, services, tools, and articles that are made available through the Platform and may also provide links to third-party websites or services that are not under the control of Blotix or its affiliates (such information and services collectively, "Third-Party Products"). In addition to the Terms, you may be bound by any additional terms required by the providers of Third-Party Products, including privacy settings, policies, and/or procedures of the Third-Party Product provider, which may differ from those of Blotix and its affiliates. Blotix and its affiliates make no representation, assume no liability, and are not able to control Third-Party Products or the privacy, security, or other practices of any Third-Party Product provider. Furthermore, Blotix and its Associates (x) have no duty of care to you with respect to such Third-Party Services and (y) are not responsible for the accuracy or reliability of information, data, opinions, policies, advice, services, tools, or statements contained in Third-Party Products or the services offered by them, and it is your sole responsibility to review such information.

11.9 Survival. This Section 11.9 and Sections 1, 2.5, 2.8, 3, 6, 7, 8, 9, 10, 11.3, 11.5, 11.6, 11.7, and 12 shall survive the termination or expiration of the Agreement. Except as provided in Section 11.3(b), no other provision of the Agreement survives the expiration or earlier termination of the Agreement.

1. Miscellaneous.

12.1 Entire Agreement. These Terms, together with and as supplemented by the Order Form, the API Terms of Service, any other document incorporated herein by reference, and all related Schedules, constitute the sole and entire agreement of the Parties with respect to the subject matter of the Agreement and supersede all prior and contemporaneous understandings, agreements, representations, and warranties, both written and oral, with respect to such subject matter. In the event of any inconsistency between the statements in these Terms, the Order Form, the API Terms of Service, and any other document incorporated herein by reference, the following order of precedence will govern: (i) first, the Order Form; (ii) second, these Terms; and (iii) third, any other document incorporated herein by reference.

12.2 Force Majeure. Blotix is not responsible for damages caused by delay or failure to perform its undertakings under the Agreement when the delay or failure is due to fires; strikes or labor disputes; riots; embargoes; floods; bank failures; malfunction or failure of a blockchain; digital token market collapse or fluctuations; power outages or failures; acts of God or the State's enemies; acts of any Government or Government Official; any market movement, shift, or volatility; computer, server, or Internet malfunctions; Internet disruptions, viruses, and

mechanical, power, or communications failures; security breaches or cyberattacks; criminal acts; delays or failures caused by common carriers; acts or omissions of other Persons; or any other delay, default, failure, or interruption which cannot reasonably be foreseen or provided against or which is otherwise outside the control of Blotix. In the event of force majeure, Blotix is excused from all performance obligations under the Agreement.

12.3 Amendments and Modifications. These Terms may be amended, changed, or updated by Blotix at any time, upon written notice to the User. The failure to withdraw or the continued use of any Tool by the User after the effective date of any amendments, changes, or updates constitutes acceptance of these Terms, as modified by such amendments, changes, or updates. The Order Form may be amended, changed, or updated with the written consent of Blotix and the User.

12.4 Waiver. The failure of Blotix to exercise any of its rights, powers, or remedies under the Agreement, or any delay by Blotix in doing so, shall not operate as a waiver of such right, power, or remedy. The single or partial exercise of any right, power, or remedy by Blotix shall not preclude either party from exercising other rights, powers, or remedies.

12.5 Severability. If any provision of the Agreement is found to be invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of the Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify the Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated herein be consummated as originally contemplated to the greatest extent possible.

12.6 Governing Law. The Agreement shall be governed by, construed, and enforced in accordance with the Laws of the State of Delaware (USA) and shall for all purposes be construed as a U.S. contract. Any dispute, controversy, claim, or action arising out of or related to the User's use of the Platform, the Tools, or the Agreement shall likewise be governed by the Laws of the State of Delaware (USA), exclusive of its choice of law principles. The User hereby acknowledges and agrees that the foregoing choice of law shall govern all claims and remedies and that by agreeing to such choice, the User may be excluding and waiving legal, equitable, or other claims or remedies that might otherwise be available under the Laws of another jurisdiction.

12.7 Dispute Resolution. Any dispute, claim, or controversy arising out of or relating to (a) the Agreement or its existence, breach, termination, enforcement, interpretation, or validity, or (b) the User Account and the User's use of the Platform at any time, or (c) the User's access to or use of the Tools at any time, shall be subject to and finally resolved by confidential arbitration before a single arbitrator, in accordance with the Rules of Arbitration of the International Chamber of Commerce, by one (1) arbitrator appointed in accordance with such Rules, provided that such arbitrator has at least ten (10) years of experience in the practice of law in the jurisdiction of the applicable Law. The procedure for taking evidence shall be governed by the IBA Rules on the Taking of Evidence in International Arbitration. The language to be used in the arbitral proceedings shall be English. The seat of such arbitral proceedings shall be in London, England. All proceedings, communications, and awards relating to any recourse hereunder shall be kept confidential to the extent permitted by law, except in the case of a judgment enforcing an award or as otherwise required by law. The arbitral award rendered by the arbitrator(s) shall be final and binding on the parties. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. The prevailing Party shall be entitled to its

arbitration costs (including the arbitrator's fees) and reasonable legal fees. The User and Blotix agree that each Party hereto may bring claims against the others only on an individual basis and not as a plaintiff or class member in any purported class or representative action or proceeding. No class arbitration is permitted, and no arbitrator may consolidate or join the claims of more than one Person or party and may not otherwise preside over any form of a consolidated, representative, or class proceeding. Any relief granted to one (1) user cannot and shall not affect other users of the Platform.

12.8 Assignment; Third-Party Rights. The Agreement and all rights, duties, and obligations contained or incorporated herein are not assignable by the User without the prior written consent of Blotix. The Agreement and all rights, duties, and obligations contained herein are freely assignable by Blotix, in whole or in part, without notice to or consent of the User. Any attempt by the User to assign the Agreement without written consent is void. Subject to the foregoing, the Agreement and all rights, duties, and obligations contained or incorporated herein shall be binding upon and inure to the benefit of the heirs, executors, administrators, personal or legal representatives, successors, and assigns of the User and Blotix. None of the provisions of the Agreement, nor any of the rights, duties, and obligations contained or incorporated herein, are for the benefit of or enforceable by any creditor of the User or any other Person, except (i) those that inure to a successor or assignee in accordance with this and (ii) that the Affiliates of Blotix are intended third-party beneficiaries of the rights and privileges expressly stated to be applicable to the Affiliates hereunder and shall have the right to enforce such rights and privileges as if they were in direct privity hereunder, subject to the conditions and limitations hereof, including those relating to dispute resolution.

12.9 Export Regulation. The User shall comply with all applicable laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval) that prohibit or restrict the export or re-export of the Tools or any User Data.

12.10 Available Remedies. Blotix's remedies are cumulative and do not exclude any other remedies conferred by the provisions of the Agreement, by law, or in equity. The User agrees that the remedies to which Blotix is entitled include: (i) injunctions to prevent breaches of the Agreement and to specifically enforce the terms and provisions hereof and thereof, and the User waives the requirement of any posting of a bond in connection with such remedies; and (ii) the right to recover the amount of any Losses offset against any amount that Blotix would otherwise be required to pay to the User.

12.11 Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under the Agreement would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance, and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies available at law, in equity, or otherwise.

12.12 Information Sharing. From time to time, Blotix receives requests for information from government agencies, law enforcement, and courts around the world. In this context, Blotix may be required to share and/or will voluntarily provide, where it appears reasonable and necessary, User and any End User information (including personal information) with/to law enforcement and/or a Government. The User hereby consents to the sharing of their personal information as

further specified in these Terms, the Privacy Policy, and, where applicable, the Law Enforcement Request Policy and grants full authorization and authority to Blotix and its Associates to share such information with such contractual third parties, or as required by applicable Laws or requested upon legitimate request of any Government, and releases Blotix and each Associate from any liability, error, mistake, or negligence related thereto.

12.13 Electronic Communications and Acceptance. The User agrees and consents to receive electronically all communications, agreements, documents, receipts, notices, and disclosures that Blotix may provide in connection with the Agreement by posting on any part of the Platform or to the authorized email address of the User or any User Authorized Personnel, as set forth in the Order Form or otherwise on file with Blotix. Such notices will be deemed effective and received by the User on the date the notice is posted on any part of the Platform or the email is sent to such authorized email address. These Terms may be accepted electronically, and it is the intention of the Parties that such acceptance shall be deemed as valid as an original signature affixed to these Terms.

12.14 Class Action Waiver. The User and Blotix expressly intend and agree that: (a) class action and representative action procedures are hereby waived and shall not be asserted, nor shall they apply, in any arbitration under the Agreement; (b) neither the User nor Blotix will assert class action, collective action, or representative action claims against the other in arbitration or otherwise; (c) each of the User and Blotix will only submit their own individual claims in arbitration and will not seek to represent the interests of any other Person, nor to consolidate claims with any other Person; (d) nothing in the Agreement shall be construed as the intention of the User or Blotix to arbitrate claims on a collective, class, or representative basis; and (e) any relief granted to any one user of the Platform cannot and shall not have any effect on other users of the Platform. No arbitrator may consolidate or join the claims of more than one Person or party and may not otherwise preside over any form of a consolidated, representative, collective, or class proceeding.

12.15 No Brokerage, Legal, or Fiduciary Relationship. Blotix is not a broker, lawyer, intermediary, agent, or advisor to the User and has no fiduciary relationship or obligation to the User with respect to: (a) services or tools that the User acquires from third parties; or (b) any other decision or activity that the User makes while using the Platform or the Tools.
